## ABOUT ME

As a dedicated professional who recently transitioned from the banking industry to pursue a career in IT, I bring a unique blend of skills and perspectives to the field of full stack development. With a solid foundation in finance and a strong passion for technology, I am excited to leverage my prior experience to contribute to innovative solutions in the IT industry.

During my time in the banking sector, I developed a keen eye for detail, honed my analytical skills, and gained valuable experience working in a fast-paced, deadline-driven environment. This experience has instilled in me a strong work ethic, effective time management, and the ability to thrive under pressure.
